

Puzzled about what to do next?

Stay ahead of the game with the Alcon® Scholarship

The Alcon® Scholarship is an innovative programme of education for newly qualified Optometrists designed to inspire you to grow personally, clinically, professionally and commercially.

Become a best-in-class Optometrist by increasing your clinical knowledge and widening your skill set

- Discover options for your future
- Broaden your scope
- Become a leader
- Challenge yourself
- Gain business and commercial insight into running a practice
- Meet like-minded professionals
- Widen your clinical practice
- Perhaps you're happy where you are now, but wondering how else you can add value to the profession and to your patients?

Two years | Five courses | Funded* by Alcon®

This two-year scholarship comprises five courses, each lasting two days. Courses 1-4 will take place at the Alcon® Academy in Surrey, UK, while Course 5 will be held at another of our state-of-the-art European facilities. All travel and accommodation costs will be covered by Alcon®.*

Be part of it – if you have been qualified for between 2-5 years, please email alcon.professionalaaffairs@alcon.com to register your interest for the Alcon® Scholarship today**, or speak to your Alcon® Business Development Manager for more information.

12140 © 2017 Novartis. * Alcon® will fund scholars' travel and accommodation costs. Scholars assume responsibility for their time (paid leave or employer support). **The application process for places will require candidates to complete a short online assessment and submit a personal statement and reference from their sponsor.

Closing date to submit the final application is 11/08/17.
